COMUNICATO n. 869 del 25/04/2020

Trentino is getting ready to start again

Yesterday Corona Virus 7 deaths were recorded in Trentino, 3 of which occurred within the nursing homes. 45 new infections recorded, all verified with a swab, 18 in the context of nursing homes. 1320 the total number of swabs administered. Among the 45 newly infected people there are also two minors who are currently in home care. The number of people who died since the beginning of the emergency therefore rises to 389. 28 people are currently in ICU, the number is gradually decreasing.1465 are in solitary confinement at home.

Yesterday the council approved the new bill to support the economy and work. 150 million euros were allocated for this phase, which together with the other credit support interventions and tax reduction make up for about 800 million, the total commitment of the Province at this stage in euros.
The president Maurizio Fugatti will soon sign a new ordinance, that includes some small openings - among which the one for the take-away of restaurants and pizzerias (customers will be able to pick up the takeaway food personally, instead of waiting for home delivery) - pending the wider re-opening scheduled at national level for May 4th.
